

Columbus High School Band

Dear

My band at Columbus High School is asking our friends, family, and supporters in the business community to join in being members of the Friends of the Columbus High School Band. Our band serves the community by offering entertainment at concerts and football games, as well as providing continuing training for many fine young musicians. We have a reputation for musical excellence that grows with every passing year.

Maintaining this program is an expensive proposition. Band fees comprise a major part of our budget, but they are not enough for all our needs. Funds are needed for new instruments and the maintenance and upkeep of other instruments, as well as special instructors, transportation, music, uniform cleaning and maintenance, and entry fees for competitions. Your membership in the Friends of the Columbus High School Band program would be a great help in providing for these needs.

All the proceeds from our membership drive will go directly toward the band program's expenses. Your contribution is tax-deductible. We have many levels of membership so you can join at a level you can afford. Any support you can offer will be greatly appreciated.

Columbus High School has a great band program and, with your help, we can continue to grow and improve even more. Thank you for your generosity and we look forward to welcoming you to the Columbus High School band family.

Sincerely,
